Subject: Exorbitant bank charges

Sir/Madam,

I definitely agree that some of the bank charges are unfair and ludicrous. I say this because I am charged an Admin Fee and a Service Charge and on top of this I am still charged for every transaction. Some of the charges I have to go through are: Service Fee, Admin Charge, Transaction charge, OD Usage Fee, Internet Banking Fee. Other charges are for bank statements(per A4 page.), Balance enquiry, Withdrawal, Auto Bank account Transfers and Payments. Technically, most of the charges are duplicated.

Yes, it's time the Government stepped in to investigate

Thanks,
