Subject: Bank charges

As a public we have suffered for too long waiting for ears to hear and eyes to see and rescue us: banks charge certain % if you deposit money in the bank, they charge when your salary is deposited in the bank, yet with that public money they make huge investments and reap huge returns. Where shall we keep our money then, how to keep it in circulation because if you deposit R10 000,00 at that point in time you already have R100 going to the bank. then if you withdraw you are charged, ultimately one is left with less than 80% of your hard earned money.

SHORT TERM INVESTMENTS WITH THE BANKS BENEFIT ONLY THE BANK, YOU CHECK THEIR RETURNS VS YOUR BENEFITS that are PEANUTS.

IF THIS INSTITUTION IS TO PROTECT US, OUR DEMOCRACY, OUR PEOPLE, PLEASE STOP THE RICH FROM OPPRESSING AND DEVOURING ON US.

WE HAVE TO MAKE HOUSING LOANS, MEDICAL AIDS, CAR FINANCING, THEY DEVOUR ON US ON STOP ORDERS, DEBIT ORDERS, WITHDRAWALS, DEPOSITS, INVESTMENTS, ETC.

ANYONE OUT THERE TO HEAR OUR PLIGHT AND SAVE US.
