

Our Reference: Mr Clint Oellermann

12 April 2016

TO: ALL STAKEHOLDERS

NOTICE REGARDING CONTINUATION OF SET 1 OF PUBLIC HEARINGS FOR THE HEALTH MARKET INQUIRY (“HMI”)

1. The above matter has reference.
2. All stakeholders are hereby informed that the Health Market Inquiry will be conducting another round of the general public hearings to take place between 3 - 5 May 2016 at the Health Market Inquiry Offices in Pretoria and 17-19 May 2016 at the Olive Convention Centre in Durban.
3. Stakeholders are to note that this is not a general call for participation, instead, the Inquiry Panel has in the exercise of its discretion decided to afford further opportunity to specific stakeholders that were unable to participate in the last round, but had made requests to make oral presentations on specific issues. The Panel has also identified specific stakeholders that did not participate, but whose participation will assist in clarifying issues raised in the written submissions as well as in the previous hearings.
4. The list of stakeholders that will participate in this next round of public hearings as well as a detailed hearing notice will be published in due course.

Yours Faithfully

Mr. Clint Oellermann

Inquiry Director
