(Circle relevant one or specify)

The IPA Foundation (hereinafter referred to as IPAF) is an umbrella body of Independent Practitioner Associations, themselves representing a voluntary network of Family Practitioners committed to the principles of managed care and who strive to provide accessible, cost-effective, non-discriminatory, high quality healthcare to patients.

SUMMARY OF THE ISSUES:

Using the opportunity to respond specifically to adverse allegations specifically at answering one or more particular adverse allegations directed against the IPAF.

(please see the attached documentation)
