1. Receiving Bid Responses

- ✓ The entity should open all bids at the stipulated time and place.
- ✓ Bids should be opened in public, that is, bidders or their representatives are allowed to be present.
- ✓ The names of the bidders will be recorded when bids are opened.
- ✓ Bids received after the time stipulated should not be considered and must be returned unopened immediately.
- ✓ Bidders should not be requested or permitted to alter their bids after the deadline for receipt of bids.
- ✓ The accounting officer should only allow questions be asked to bidders for clarification needed to evaluate their bids but should not ask or permit bidders to change the substance or price of their bids after bid opening.
- ✓ Requests for clarification and the bidder's responses should be made in writing.
- ✓ After public opening of bids, information relating to the examination, clarification and evaluation of bids and recommendations concerning awards should not be disclosed to bidders or other persons not officially concerned with the process, until the successful bidder is notified of the award.
- ✓ Regulation 10(4) of the Preferential Procurement Regulations, 2001, prescribes that an organ of state may, prior to the award of a bid, cancel the bid if:
 - Due to changed circumstances there is no longer a need for the goods or services for which bids were solicited;
 - Funds are no longer available to cover the total envisaged expenditure; or
 - No acceptable bids were received.
- ✓ Accounting officers are not authorised to deviate from these prescripts.
