**TO ALL SUPPLIERS SEEKING REGISTRATION
AS AN APPROVED SERVICE PROVIDER ON THE
DATABASE OF THE COMPETITION COMMISSION**

All suppliers are herewith invited to register as an approved supplier on the database of the Commission. In order to comply with the procedures set out in the Supply Chain Management Guidelines, as referred to in the Public Finance Management Act (PFMA)), the Commission developed a supplier database to be used by the Procurement section.

The purpose of this database is to give all prospective suppliers an equal opportunity to submit quotations to the Commission.

Preference will be given to registered suppliers but it does not necessarily follow that suppliers who are not yet registered will be totally exempted from quoting for the supplying of goods or services to the Commission. It is envisaged however, that this database will contribute to efficient administration and compliance with the PFMA.

Attached please find an official registration form to assist us in updating our database according to legislation.

It is imperative that suppliers read the application document carefully, complete it in full and sign it. Please note that eFiling copy of Valid Tax Clearance Certificate with tax compliance status pin must be attached and posted to

What is the Central Supplier Database?

The Central Supplier Database (CSD) is a single database to serve as the source of all supplier information for all spheres of government. The purpose of centralising government's supplier database is to reduce duplication of effort and cost for both supplier and government while enabling electronic procurement processes.

What happens on 1 September 2015?

From 1 September 2015 prospective suppliers will be able to self-register on the CSD website www.csd.gov.za. Suppliers can capture and update their information on the CSD at any time, in preparation for the utilisation of supplier data through procurement and financial systems used by all organs of state from 1 April 2016. The period from 1 September 2015 to 31 March 2016, will be referred to as the Interim Period.

Once information has been verified with external data sources, a unique supplier number and security code will be allocated and communicated to the supplier. Suppliers will be required to keep their data updated regularly and should confirm at least once a year that their data is still current and updated. Automatic re-verification of relevant supplier data against SARS, CIPC etc. will be done regularly (daily, weekly, monthly, etc.) as required.

How will the interim period work?

Apart from registering and capturing supplier information on the CSD, suppliers currently on any database of organs of state need to maintain their records through the current supplier systems for the period 1 September 2015 to 31 March 2016.

During the interim period, suppliers must provide their CSD supplier number and unique security code as well as any other relevant documentation (not yet electronically verified by the CSD) to the organs of state. Organs of state will use the CSD supplier number and unique security code to view/print the verified supplier information from the CSD in order to maintain their current supplier databases.

Why should a supplier register on the CSD?

Suppliers will only be required to register once when they do business with government;
A supplier will be able to ensure their data is up-to-date, complete and accurate;
Standardized and electronic verification of supplier information leading to reduced fraud with paper copies and manual processes;
Supplier will not be required to submit physical tax clearance and business registration certificate to organs of state; and
Single source of supplier information to all organs of state.

What will be required for suppliers to register?

All suppliers will be required to complete required information on the CSD website and must ensure it is complete, accurate and comprehensive. The following would be amongst the required information:
Supplier information i.e. supplier type, identification number, supplier name, trading name and country of origin;
Supplier contact i.e. preferred contact person, preferred communication method, email address, cell phone number, telephone number, etc.;
Supplier addresses i.e. country, province, municipality, city, suburb, ward and postal code;
Bank account information;
Supplier tax information;
Ownership information, i.e. name and identification number of directors, members etc.;
Association to any other suppliers i.e. branch, consortium member etc.; and
Commodities the supplier can supply.

Who can be contacted for further information on the CSD?

Contact National Treasury for further clarity on the process at csd@treasury.gov.za or 012 406 9222.
