MEDIA RELEASE

Date 29 September 2016

COMPETITION COMMISSION AMENDS COMPLETION DATE FOR LPG MARKET INQUIRY

The Competition Commission (Commission) has amended the completion date for the Liquefied Petroleum Gas Market Inquiry to **20 December 2016** (see [Government Gazette](#)). The date has been amended to allow sufficient time for the Commission to finalise its report outlining the findings of the market inquiry.

In August 2014, the Commission issued the Terms of Reference for the market inquiry, formally launching and outlining the scope of the inquiry. The Commission believed that there were features of the sector that prevented, distorted or restricted competition.

Subsequently, in January 2016, the Commission published its preliminary findings and proposed recommendations emerging from the market inquiry. The public was invited to make submissions on the proposed recommendations. The Commission is now finalising its report which will be issued on 20 December 2016.
