

NOTICE TO STAKEHOLDERS

PROVISIONAL REPORT REQUESTS FOR ACCESS TO UNDERLYING DATA AND INFORMATION

Dear Stakeholder,

1. Further to the Notice published on 23 July 2018, the HMI wishes to inform all stakeholders that it has received requests for access to underlying data, pertaining to the Provisional Report, from the following:
 - Netcare Limited
 - Mediclinic
 - Life Healthcare
 - South African Society Of Anaesthesiologists (SASA)
 - Ophthalmological Society of South Africa (OSSA)
 - South African Medical Association (SAMA)
2. The above data access requests are currently under consideration by the HMI and stakeholders will be informed of the outcome of their respective applications as soon as possible.
3. The HMI wishes to reiterate that although the Data Access Room will allow to access to underlying confidential information considered for purposes of the Provisional Report, such access is restricted to the external advisers of affected stakeholders.
4. The HMI will allocate dates for accessing the Data Access Room after evaluating the relevant stakeholder requests. A weekly schedule will be published by the HMI, commencing on Friday 3 August 2018, reflecting the allocations for the following week.

Issued on: 1 August 2018
