**Re: Allegations by BHF relating to Life Healthcare and Medi-Clinic
participating in the rebate system on surgicals, consumables and medical
devices**

The BHF regrets that the perception may have been created at the BHF conference that the Medi-Clinic and Life Healthcare Group were inflating the Net Acquisition Price of medical devices and materials. This is not correct and BHF apologizes for any inconvenience caused.

For further information, please see the attached press release issued by BHF on the 27th July.

Yours sincerely
