Dear Rob,

INHALATION ANAESTHETIC INCREASES (ANNEXURE C - No.7C)  
ETHRANE : FORANE

I am in receipt of a letter from Abbott Laboratories dated 17 July 1987 addressed to Homes & Hospitals Group "Attention Karen Flynn" (photocopy of which is attached) advising an increase of 5% for the abovementioned Inhalation Anaesthetics as from Saturday, August 1, 1987.

According to my calculations this means that the following will be the prices applicable from Saturday, August 1, 1987 : -

ETHRANE : per 15 minutes or part thereof R 9.45

FORANE : per 15 minutes or part thereof R12.60

I would esteem it a favour if you would notify all members accordingly.

Thanking you,

Yours sincerely,
