

## ONLINE INTERMEDIATION PLATFORMS MARKET INQUIRY

### UPDATED ADMINISTRATIVE TIMETABLE

Please note that the Inquiry has adjusted the final deadline for the issuing of the OIPMI provisional draft report. The timetable has been adjusted to accommodate the upcoming *in-camera* hearings that will be held from 23 February – 4 March 2022. Furthermore, due to the high volume of submissions the Inquiry is still receiving and further submissions of expert legal and economic reports, the issuing of the provisional draft report has been moved to 10 June 2022.

However, the adjusted timetable does not affect the final OIPMI report, which will still be published on 18 November 2022.
